1. Submission #1429416: The TA was very helpful and answered all our questions! We learned a great deal from him! He was very responsive to all our queries! He was very hard working! He has worked even after his TA hours all the times just to help his students! Even if it was not his hours, he would still come to help us! He is remarkably a hardworking person who genuinely cares about his students!
2. Submission #1448944: TA helped so much.
